

The following environmental principles supporting the HSE Policy are defined:

- Use energy and other natural resources efficiently
- Minimise waste generation and promote reduce, reuse and recycle opportunities
- Work systematically to replace or reduce harmful chemicals
- Integrate environmental considerations into planning and development of new activities and products
- Consider environmental performance in selecting suppliers and contractors

A handwritten signature in blue ink, appearing to read "Kjetil Gjersdal".

**Kjetil Gjersdal**  
CEO, Odfjell Drilling
